

Paint a Mini Wildflower Painting!

**Saturday, August 6th
10AM-12:30PM**

Location: Harrisburg Framing & Sea Gallery
3430 Derry Street Harrisburg

NOTE: There is free street parking or free parking
behind the municipal building across the street!

Lori Sweet, a local artist, will lead you through a step-by-step process to create your own mini-wildflower work of art! This is a class for total beginners and seasoned artists alike to relax, learn, and create for fun!

Using a mini-canvas, acrylic paints, and small brushes, create a “Sweet work of art” for your desk, shelf, or as a little gift for someone special! Lori will offer some painting basics to help you to create depth in a painting.

You also can select a little stand to take home with you to display your work of art, or you may invest in a little custom frame for your work.

In addition, Lori will have a selection of her art for sale with some discounts in preparation for an open artist reception to be held on Sunday August 7th from 2-4PM. Students in this class will have a chance to see some of the work before anyone else and the discounts still apply!

The location is next door to the Tiger Eye Coffeeshop and you will get a coupon for a **free coffee or hot tea** to enjoy during class. (And if you choose to indulge, Tiger Eye has ice cream, muffins, and cookies, too!)
